VERACRUZ PLANT

ABOUT US

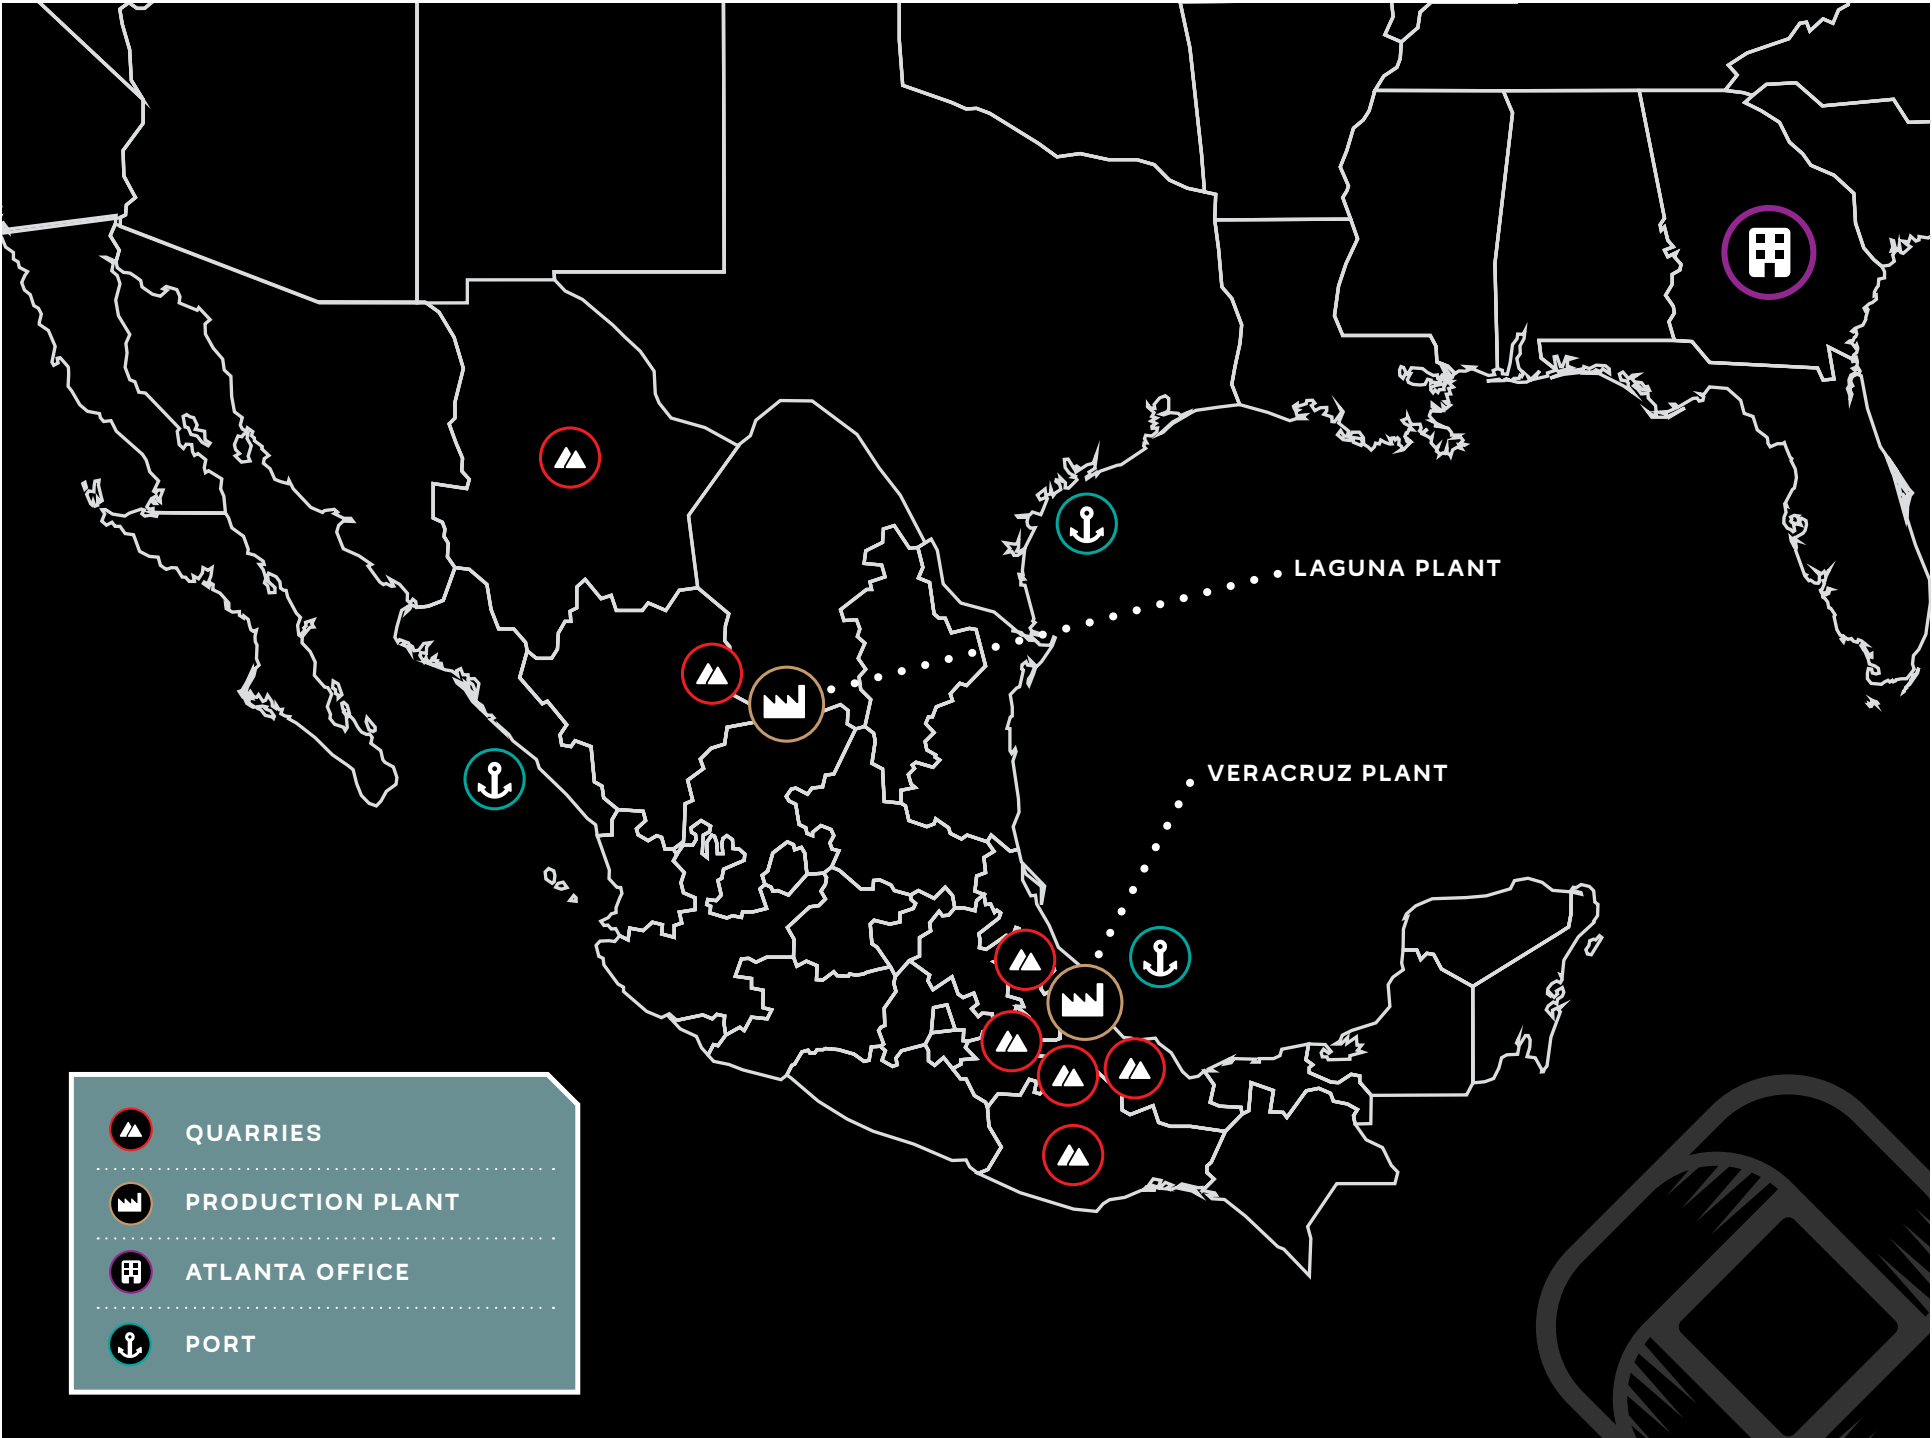

Travertinos Laguna is the only natural stone supplier in México with 2 plants, strategically located on Durango and Veracruz.

This year our plant in Veracruz will start its operation, which will help us to double our productive output while maintaining the high quality standard on our manufacturing process of all the Travertino variety and our great Marble selection.

Our product line is conformed by Flooring, Slabs, Trim Pieces and Thresholds along with a wide arrange of Profiles, all of this in elegant, classic and modern finishes.
